# "I HAVE BEEN ABLE TO ORDER RESTAURANT MEALS WHILE IN ISOLATION"

*I don't feel the same type of isolation that some of my friends have been feeling during quarantine. I am on my own, but I can still get out and have some fresh air and walk around the beautiful village gardens with a friend.*

*I been able to use Applewood's Orchard Restuarant takeaway service each week since the restrictions started and it has been so easy and delicious to do so.*

# "I HAVE BEEN ABLE TO STAY HEALTHY AND WELL"

*Through the COVID-19 pandemic I have felt safe living at Applewood and have been able to stay healthy and well with friends within our retirement community. My husband and I exercise regularly and the village had some fun ways to ensure our health & wellbeing. In these times I could not be happier with the decision I made to live at Applewood.*

*I have never felt lonely or isolated even through all of the enforced COVID-19 restrictions.*
