**FIGHTING HUNGER
IN AUSTRALIA**

Thanks
APPLEWOOD!

Applewood held a very successful food drive for Foodbank in November last year and donated 2 huge carloads of great quality product to help Victorians fight food insecurity in the COVID-19 lockdown.

Foodbank and Chobani sent Foodbank Ambassador Chrissie Swan in their purple van to say thank you to Applewood and the individuals involved in the food drive by delivering a van load of the brand-new yogurt on launch day.

A great day was had by all of our residents and we thank Chrissie Swan, Foodbank and Chobani for this amazing morning!
