

## **Welcome Report**

**12 February 2025**

I submitted my last Welcome Report for the AGM in November which Stephanie delivered in my absence. I received great reports, she did a lovely job.

Since my last Welcome report for the October meeting and up to December, I have met with the following new Residents.

**Bianca Witzany. 6 Greengully. She is joined by her husband Joe Galluzzo.**

**Jill & Neville McLean. 4 Grand Boulevard**

**Betty Norman. 3 Tollora. Betty likes to be known as Bettyka.**

**Jenny Mitchell. 8 Tollora.**

As these people arrived before Christmas, many have already joined in with our activities and are enjoying their relocation to Applewood.

During the Christmas and holiday break, there has been quite a few new Residents move into Applewood during January.

**Glenda & Graeme Nicol. 6 Mahogany.**

**Della Webber. 6 Pippin. Della's daughter and son in law are current Residents.**

**Jenny & Doug Morris. 11 Sandpiper.**

**Val & Ken Wright. 12 Grand Boulevard.**

**Margaret Horton. 7 Lockhart.**

**Susie Pick. 1 Tollora.**

There are two more Residents scheduled to move in during February at 9 Barrington and 6 Andrew which have been sold.

As at yesterday 4 February, I understand the newly renovated apartment on the lower ground floor has also been sold.

Obviously, there continues to be a lot of interest and the sales team are constantly interviewing prospective new Residents.
